M.com (2019-20)

Guidance lecture on UGC NET/SET

A guidance lecture was organized for M.Com students on 5th October 2019 from 7:30 - 9:30 am to guide them about the preparation for competitive exam called NET/SET. The session was attended by 50 students. The lecture was taken by Ms. Dhvani Chauhan and Mrs Sneha Warrior.

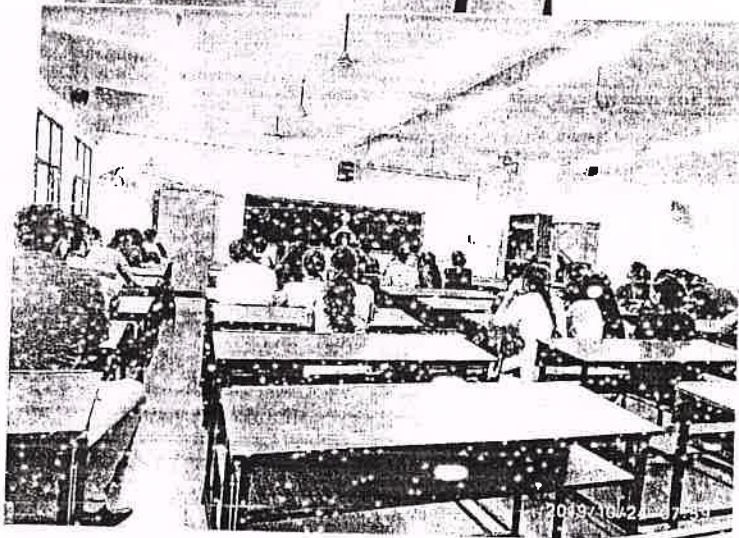

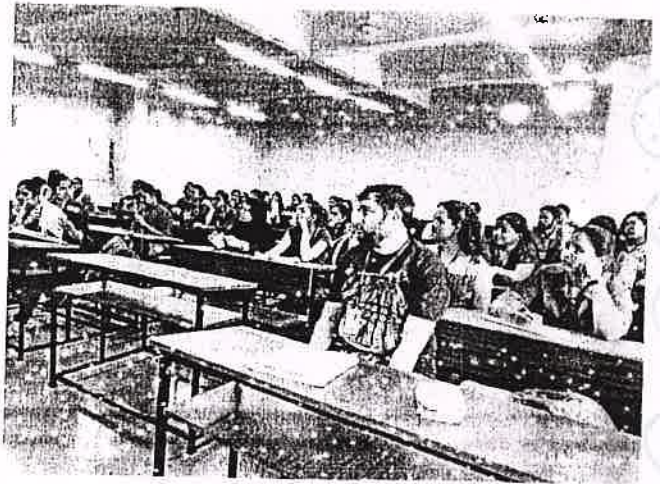

The students were provided guidance about the method that they should follow while preparing for such highly competitive exams. Students were briefed about the syllabus and pattern of the exam. They were advised to study for fixed time daily, prepare a time table as per their convenience and follow it regularly. The lecturers also gave guidance on how to solve previous year's papers for practice which would help them in time management during exam and also to know their strength and weakness in the subject. The entire session was very helpful for students.
